

ANTISEMITISM POLICY TRUST

The International Holocaust Remembrance Alliance definition of antisemitism is the agreed working definition of anti-Jewish hatred, across the world. It has been adopted as the UK Government and opposition parties.

During the 2019 General Election candidates from all parties and none were invited to add their name in support of the definition. What follows is a list of those that signed their names on the Trust's site.

Name	Political Party	Constituency
Robert Jenrick	Conservative Party	Newark
Andrew Theakstone Percy	Conservative Party	Brigg and Goole
Luciana Berger	Liberal Democrats	Finchley and Golders Green
